EXPERIENCE

Trader Joe's

Crew Member

March 2020 – Present

- Leader of the vitamin and protein bar section for the store.
- Monitor my sections of the store's inventory to limit excess backstock.
- Organize displays to make the store visually appealing and orderly to maximize sales of new product.
- Communicate with the sign team for special promotion displays.
- Manage pressure of high customer demand during tourist and holiday seasons.
- Selected as a trainer for new hires on systems and conduct of the store.
- Educated coworkers how to use the company's ordering system when a new system was introduced.
- Awarded bonuses based on my performance reviews and customer satisfaction.
- Lead team bonding activities after shift to help coworkers decompress.

BodyStreet USA
